MILITARY SERVICE:

Royal Canadian Navy (Reserve)	1952 - 1961
Royal Navy Reserve	1971 - 1973

On Honourable Release - Surgeon Lieutenant, RCN (R); Acting Surgeon Lieutenant, RNR.

- VOLUNTEER WORK:** - Traffic Injury Research Foundation, Ottawa, Canada, Board of Directors 1976 - 1993, 1999-2000
- Strata Council - Mozaiek 2001-04; 2009-2015

SCHOOLING AND UNIVERSITY

SECONDARY: Central Collegiate Institute (Central High), Calgary

PREMEDICAL: Faculty of Arts and Science, University of Alberta 1952 - 1954

MEDICAL: Faculty of Medicine
University of Alberta, Edmonton, Alberta, 1954 - 1960;

1960 - 1961 Rotating Internship, Calgary General Hospital;

1961 - 1963 general practice on Vancouver Island, British Columbia
(before post-graduate studies 1963).

POST-GRADUATE TRAINING:

(1) General Medicine and Neurology

University of British Columbia (Vancouver General Hospital)
July 1963 - December 1964 Assistant and Associate Resident

(2) Pathology

a) 1965- January to June: Morbid Anatomy and Hematology, Associate Resident
Vancouver General Hospital

b) 1965 - 1966: Institute of Neurology, Queen's Square, London, England as
Academic Registrar, Department of Neuropathology, Maida Vale Hospital, London W9,
England

c) 1967 - 1971: Guys Hospital Medical School, University of London

(i) St. Olave's Hospital - Guy's Sector - Pathology Department as a senior house
officer

(ii) Department of Clinical Pathology and Department Morbid Anatomy - Guys
Hospital

(Spent in microbiology, hematology, chemical pathology, and morbid anatomy as a senior house officer, latterly as registrar grade.)

- (iii) 1967-1971 associated concurrently with the Department of Forensic Medicine at Guys' Hospital under the late Professor C. K. Simpson, head of the Department and Professor of Forensic Medicine, Guys Hospital Medical school, University of London.

ACADEMIC QUALIFICATIONS:

M.D. - University of Alberta, 1960.

L.M.C.C. (Licentiate of Medical Council of Canada), 1962.

DMJ - Diploma Medical Jurisprudence (PATH) London, England 1969 (The Society of Apothecaries is both a City livery company and an examining authority for the medical profession.)

F.R.C.Path. - Fellow of the Royal College of Pathologists (Great Britain), June 1985 (by election) following MRC Path ('Membership' by examinations in Morbid Anatomy and Forensic Medicine/Pathology) attained in 1973).

REGISTRATIONS:

College of Physicians and Surgeons, Province of British Columbia, January 2001 - present: specialty registration in Anatomical Pathology.

General Medical Council of England and Wales, August 1965- (present status: overseas "inactive")

(Previously registered with specialty registration in Anatomical Pathology* in the provinces of Alberta 1960-63, 1974-96*; Nova Scotia 1996-2000* and British Columbia 1963-1991)

FULL-TIME POSITIONS following SPECIALTY TRAINING:

May 1971 - November 1973

Lecturer, Department of Forensic Medicine, Charing Cross Hospital Medical School, University of London - [Professor D.A.L. Bowen) - Head] Performing HMCoroner's autopsies; attending court; lectures/tutorials for medical students. During this period I performed as many as seven hundred autopsies per year (1972-73).

January 1974 - June 1977

Full-time Associate Professor, Division of Pathology, Faculty of Medicine, University of Calgary

- (i) Responsible for organizing a forensic pathology service to support existing Alberta coroner's system in Calgary area.

(ii) December 1974 to May 1977- engaged by the Government of Alberta, Attorney General to prepare medical examiner legislation and systems to replace the Coroner's Act in accordance with recommendations of a provincial Board of Review (Mr. Justice W. J. C. Kirby 1973). I developed the Medical Examiner System in Alberta, was first appointee 1977 as Chief Medical Examiner and remained in the position until I resigned in 1993.

[Responsible for administration of the Fatality Inquiries Act in the Province of Alberta with about 4000 deaths investigated annually. As the first to occupy the position, I was responsible for initiating extensive changes in the reporting, investigative, and recording systems on certification of sudden death in Alberta. Initially included drafting legislation & providing systems replacing The Coroners Act/operations June 1977.]

(iii) 1975 - May 1977: Concurrent with (i, ii) above Chief Coroner, Province of Alberta

June 1, 1977 - July 30, 1993

Chief Medical Examiner, Alberta Attorney General/Justice Province of Alberta -
In addition to pathology duties, I was responsible for:

- Policy, planning, and management of the office of the Chief Medical Examiner in Alberta;
- Developed Alberta Medical Examiners Tissue Programme in 1984, which served as landmark policy in Canada for cooperation between a medicolegal authority and transplant community.
- Writing text/operations manual - "The Medical Examiners Guide"
- Member of the management committee Department of Attorney General/Justice 1991 - 1993.

1989-1993*; 1993-1995; 1995-1999:* 2000-present: consultant in forensic medicine/
pathology as owner of Pathfinder Forum Consulting [*consulting only part time]

February 1996-August 1999

Chief Medical Examiner Province of Nova Scotia: responsible for administration of the Fatality Inquiry Act (RSNS), this included upgrading the provincial systems and office:

- Development of operating budget and overseeing control of same, (1998 - \$0.8 million, staff of 5).
- Development of staff; recruiting and training, especially professional and investigative staff.
- Development of training for part-time medical examiners, e.g. seminars,
- Answer questions of Minister of Justice from Government and of elected Legislative Assembly of Nova Scotia
- Performing post mortem examinations, attendance in court, lectures to police, hospital staff, medical students etc.

- Assess & present cases for consideration of inquiry in public ('inquest') by a provincial court judge
- A major aviation disaster Swiss Air # 111 occurred in Nova Scotia September 1998; CME was responsible for the temporary mortuary and the identification of 229 persons until all possible recovery from the ocean was complete, about 1 year later.

I left the Office of the Chief Medical Examiner of Nova Scotia Sept. 2nd 1999, having completed my contract in January 1999. On being invited to continue, I declined for personal reasons.

September 1999- May 2000

I continued with my independent consulting practise with offices at Dalhousie University during this time in Nova Scotia. I was also a Clinical Professor of Pathology at Dalhousie University Faculty of Medicine during the period and when I left Nova Scotia, I retired from the appointment at Dalhousie.

PROFESSIONAL TEACHING EXPERIENCE AND ACADEMIC APPOINTMENTS

1969 - 1971

University of London, Guy's Hospital

Conducted student tutorials on various subjects in haematology and morbid anatomy.

1971 - 1973

University of London, Charing Cross Hospital

Lectures and tutorials on various subjects in forensic medicine and pathology

1974 - 1977

University of Calgary, Faculty of Medicine. Full time Associate Professor.

June 1977 - 1980

Part-time Associate Professor at University of Calgary, Faculty of Medicine, Department of Pathology

Dec. 1987 - July 1999

Clinical Associate Professor* at University of Calgary, Faculty of Medicine, Division of Pathology

Resident and student teaching and rounds on forensic pathology/medicine subjects and cases.

February 1996- May 2000

Professor of Pathology*, Faculty of Medicine, Department of Pathology, Dalhousie University, Halifax NS

* Part time appointments

OTHER LECTURESHIPS AND POLICE COLLEGES

Numerous lectures and seminars in Canada, U.S.A. and abroad to provincial, state, national and international associations, learned societies, government, police officers, police colleges, and others on various subjects, usually on a medicolegal/sudden death theme. A partial list is included - see below.

Organized the RCMP and later the **Canadian Police College (CPC)** section on Forensic Pathology. (Part of major crime investigative techniques course (MCITC) at CPC presented 2-3 times each year in Ottawa) from 1976-2003.

November 1994 **PATHFINDER FORUM ORGANIZED** 2-day seminar in **Clinical Forensic Nursing** - presented with Virginia Lynch, R.N., MSN, in Toronto and Calgary.

I have made presentations at **universities in Canada** including Dalhousie, McGill, Toronto, Manitoba, Saskatchewan, and British Columbia on the subject of Alberta's medical examiner system and topics in forensic pathology.

In the USA, I have lectured at St. Louis University School of Medicine, Masters program in Death Investigation 2000), Colby College Waterville ME (forensic pathology continuing education program 1999) and the Virginia Institute of Forensic Science and Medicine (1999, 2002, 2005)

Lecturer/guest faculty (2000-08) at the semiannual Interagency Institute for Federal Health Care Executives (US Government), held through **George Washington University** Washington DC.

Organized and principal 'presenter': "Death Investigation" a 30 hour classroom programme presented annually (2005- present) under auspices of British Columbia Institute of Technology Vancouver, BC

Guest Faculty University of British Columbia, Faculty of Law re The Innocence Project (2008-present): Forensic Pathology: Understanding the Expert and Limitations.

PROFESSIONAL SOCIETIES AND ASSOCIATIONS

Presently a member of:

- American Academy of Forensic Sciences - (Fellow 1976 -2014; retired fellow 2015-)

- National Association of Medical Examiners (USA) (1978 - present), appointed Fellow 2008
- College of Physicians and Surgeons of British Columbia Jan 2001-present.
- Medical Legal Society of British Columbia 2008-present.

COMMITTEES, BOARDS (including executive positions), CONSULTATIONS

1. National Association of Medical Examiners (USA):
1981 to 1992, Board of Directors,
1991 - 1992 Chairman, Board of Directors
1990 - 1991 President
1989 - 1990 Vice President
 - Executive Committee 1981 - 1982, 1989 - 1992
 - Disaster Planning Committee 1981 - 1993
 - Tissue Banking Sub Committee (Chairman) 1985 - 1991
 - Past Presidents Committee 1991 - present
2. Conference of Chief Coroners and Chief Medical Examiners of Canada (formerly the National Association of Chief Coroners and Chief Medical Examiners of Canada): member 1975-1993; 1996-1999. President, 1978 -1979; Vice President, 1980 - 1981; President 1982 - 1984.
3. Board of Directors, Traffic Injury Research Foundation (Canada) (1976 - 1993), (1999-2000)
4. Board of Editors, The American Journal of Forensic Medicine and Pathology (1980-1996)
5. Calgary Medical Society member 1975-1995 (president 1991 - 1992)
6. Member of Minister of Hospitals and Medical Care (Alberta) Task Force on Procurement of Human Organs for Transplant (1982 - 1985)
7. Member of Expert Committee on Canadian Proposal for 10th Revision of "International Classification of Disease (WHO)" - sponsored by Statistic Canada (1983)
8. Consultant to Lake County Indiana (USA) - Development of shared coroner's and medical school re: pathology facilities (1979 - 1980)
9. Consultant to Deputy Attorney General, Province of British Columbia on operation of and revision to Coroner's Act and system (1974 - 1975)

PRESENTATIONS & LECTURES etc.:

1999-2014 (A list of all presentations etc 1975-98 is available)

Numerous presentations: from 1998-2001 on management and leadership in disaster mortuary/identification re: Swiss Air Flight 111 crash (1998) including:

- Royal College of Physicians and Surgeons of Canada (sponsored) as guest speaker at the Canadian Association of Pathologists annual meeting 1999,
- Faculty of Medicine at University of Geneva and University Lausanne School of Medicine 1999
- St. Louis University, (Masters Course in Death Investigation), July 1999.
- Interagency Institute for US Federal Health Care Executives (George Washington University) at Washington DC., May 2000 to Sept 2008.
- Colby College, Maine: Forensic Pathology Update Program August 1999
- Canadian Forces Medical Services National meeting Quebec City Dec 1999
- National Disaster Medical Systems of US Dept of Health and Human Services National Conference Las Vegas NV., May 2000.
- Canadian Stress Trauma Society annual meeting Ottawa May 2000

- International Assoc. of Forensic Nurses meeting Calgary Annual meeting Oct 2000.
- Disaster 2000 Forum Edmonton AB Nov 2000
- Trial Lawyers Assoc. of B.C Medico-Legal Conference Manzanilla MX,[invited speaker Nov. 2000 2002000; and speaker November 2001]
- *ideacity* Toronto June 2001- Ideas in technology, arts, etc, invited speaker
- Vancouver Airport Authority Emerg. Preparedness Program Oct 2000: “Swiss Air 111; Lives Lost: Lesson Learned “; and Oct 2001. “Response to Next of Kin and Media following a Disaster”
- Police Victim Services of British Columbia: annual symposium May 2002 Keynote Address
- Virginia Institute of Forensic Science and Medicine , Richmond VA. April 2001, April 2002 and Sept. 2004.
- Virginia Institute of Forensic Science and Medicine-guest faculty Anniversary Meeting Las Vegas, Nevada November 2004.

.....

Guest lecture Education Day College of Physicians and Surgeons of BC (“Forensic Science in Action”): “Conventional Wisdom Hits the Courtroom Wall” September 2002

RCMP Advanced Homicide Investigation Course- Chilliwack & Kamloops BC, Oct 28-Nov.1 2002
